T&C'S

1. **Services may include** photography and/or videography using iPhone technology, delivery of raw or edited content, and any additional services specified in writing by the Content Creator and approved by client.
2. **Booking Fee:** A **50% non-refundable** payment is required upon booking to secure the event date. This serves as a confirmation of services.
3. **Remaining Balance:** The remaining balance is due no later than 21 days before the event date.
4. **Raw content** will be delivered within **24 hours to 3 days** after the event via an online gallery or cloud storage link (Google Drive, Dropbox, etc.), depending on the Client's selected package.
5. If the Client selects a package that includes edited content, the final edited version will be delivered within **1-5 days**, unless otherwise arranged.
6. **Client Cancellation:** If the Client cancels the event, the 50% booking fee is non-refundable. If the cancellation occurs within 21 days of the event, the Client is responsible for paying the full contract amount.
7. **Content Creator Cancellation:** In the unlikely event the Content Creator cannot attend due to sickness, emergency, or unforeseen circumstances, the Content Creator will arrange for a substitute content creator to cover the event or offer a full refund of all payments made.
8. In the unlikely event that the content is lost, damaged, or destroyed due to circumstances beyond the control of the Content Creator, including but not limited to equipment malfunction, file corruption, or theft, the Content Creator's liability is limited to the **return of all payments received**.
9. **Content Creator Rights:** Hype Up Studio retains **full copyright ownership** of all content created during the event. The Content Creator reserves the right to use the content for portfolio purposes, marketing, advertising, and any other lawful purposes.
10. Hype Up Studio is not liable for any delays, interruptions, or missed content due to circumstances beyond its control, including but not limited to venue restrictions, weather conditions, sickness or client or guest interference. In such cases, the Content Creator will make every effort to provide alternative solutions or adjust the workflow.
